

Information Evening 2018 Term 1 Parent Feedback

Teaching and Learning	Property/Building	Communication	Other
<p>More sports, music and cultural activities</p> <p>Send books home mid-term (per term) so we are updated with our children's progress</p> <p>Results from PE survey please (actioned)</p> <p>Big space- have considerations for soundproofing/noise control, been thought through, e.g. wall covering/textures</p> <p>Options for after school activities at school (art, sport,drama)</p> <p>Engaging pupils to learn musical instruments and utilising them during mass is one way of developing their self confidence and helping them to have diversion of activities</p> <p>Focus on challenging kids who have met the expected levels,</p>	<p>Is the property master plan up for review</p> <p>New main gate for School- not a good entrance</p> <p>New asbestos regulations coming into play April 2018, does the school have any issues to address</p> <p>Addressing school pick up and drop off- concierge support?</p> <p>Proper UV covering over the courts with spouting and drainage, possibly an archgola styled covering not just sails</p> <p>Great idea to cover courts but very expensive, likely more than your new classroom new build, look at westlake school</p> <p>The church main door is facing the road- very poor, it should be facing the school and kids, courtyard</p>	<p>Electronic sending and returning of notices</p> <p>Let us go paperless, respect the environment (less lost slips too) How about a school app where we can see all events/daily notices</p> <p>Send the email re spending (x3) the option for spending the CDF/other money</p> <p>I never got that survey but would contribute (x2)</p> <p>emails/ texts</p> <p>Update the website please, Martin Arndt can help</p> <p>Regularly update school website</p> <p>OLSH Facebook page with up to date newsletters</p> <p>Love the team blog</p>	<p>Cultural days were good please keep doing them</p> <p>A decent coffee machine for the PTA</p> <p>Trees-plant some more(2)</p> <p>Maintaining cleanliness specially Hand hygiene should be imposed to ensure a more healthier OLSH community</p>

<p>ensuring that reporting is carried through to the start of next year so kids don't spend the first term going through backwards</p> <p>Music and art after school lessons/ outside tutors coming in</p> <p>More specifics when reporting is sent home for kids including best ways for parents to engage ie support their kids learning</p> <p>Art class at school</p> <p>More focus on maths More focus on sports, music and art</p> <p>More structured PE</p> <p>After school activities ie sports, music on our school premises (2)</p> <p>Google have discontinued support for chromebook supervised accounts. Any recommendation for other ways to protect /manage our children on line, can</p>	<p>style, pick it up and turn around</p> <p>Is there a partition planned at all?</p> <p>Air con (2)</p> <p>Having air conditioning in classrooms will make a huge difference to children's learning, because children learn better in a relaxed environment</p> <p>Covered tennis court or play ground</p> <p>Covering the tennis court (3), is there enough play area left after new building</p> <p>Very little outside play area now. When and how much will be restored? When will the prefabs go?</p> <p>Solar (3)/A/C, Self closing main gate</p> <p>Resurface tennis courts and cover them, fake lawn area near courts too</p> <p>Solar ongoing maintenance as part of the initial purchase, if</p>	<p>Nice that it is regularly updated, keep it up</p> <p>Text reminders of events</p> <p>Website update</p> <p>Teacher email response/acknowledgment(Actioned)</p>	
--	--	---	--

<p>school log ins be re-used</p> <p>Can teams be named and parents asked in plenty of time to help with inter-school competitions, kids like to practise together</p> <p>More music choir and cultural groups</p>	<p>maintenance is an issue with the Catholic office</p> <p>Could the Board apply for council consent for cover over the tennis courts as I understand it the Diocese has decreed the ok for it</p> <p>Provision been made for noise dampening in new learning room</p> <p>Drop off area for cars/kids- non expensive-just paint</p>
